

SENTHILKUMARI VAIRAKANNU

MCA Graduate | Aspiring Software Developer

Chennai, India | 9361277266 | senthilkumarireve@gmail.com | linkedin.com/in/senthilkumari-vairakannu | github.com/Senthilkumari-Reve

SUMMARY

MCA graduate with hands-on full-stack development experience through an internship and self-driven projects using the MERN stack, Python, and React Native. Comfortable working across frontend, backend, and database layers, with strong communication and problem-solving skills developed through structured employability training. Seeking an entry-level Software Developer / IT role to apply and grow these skills in a production environment.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML, CSS, PHP (basic)

Frameworks & Libraries: React.js, React Native, Node.js, Express.js

Databases: MongoDB, SQL Server

Tools & Platforms: Git, GitHub, Expo, VS Code

Core Skills: Problem Solving, Communication, Team Collaboration

PROJECTS

SkillsSwap — Skill Exchange Platform — MERN Stack Dec 2025 – Apr 2026

- Built a full-stack web platform enabling users to list and exchange skills with peers.
- Implemented CRUD operations and MongoDB integration for user and listing data.
- Designed responsive UI components in React.js for consistent cross-device usability.

Seoul Quest — Gamified Goal-Tracking Mobile App — React Native, Expo, TypeScript Ongoing

- Developing a cross-platform mobile app that helps users track progress toward relocation and language-learning goals.
- Built XP-based progression, daily quest streaks, and an analytics dashboard, using AsyncStorage for local data persistence.

Furniverse — E-Commerce Website — PHP, HTML/CSS, SQL Server Jan 2024 – May 2024

- Developed a furniture shopping web app with user authentication, product browsing, cart, and admin controls.
- Designed the SQL Server schema to support inventory tracking and order management.

WORK EXPERIENCE

Web Development & Designing Intern — Oasis Infobyte (Remote) Dec 2025 – Jan 2026

- Delivered three front-end projects — a landing page, a personal portfolio site, and a temperature converter app — using HTML, CSS, and JavaScript.
- Applied responsive design principles to ensure a consistent user experience across devices.

EDUCATION

Master of Computer Applications (MCA) — Chennai Meenakshi Academy of Higher Education and Research (MAHER), Chennai Aug 2024 – Apr 2026

B.Sc. Computer Science — St. Joseph's College of Arts & Science (Autonomous), Cuddalore Jun 2021 – May 2024

CERTIFICATIONS & TRAINING

Full Stack Web Development — Anapty Codeemy Technologies, Coimbatore (Online) Dec 2025 – Feb 2026
3-month program covering hands-on frontend and backend development with real-time projects.

Employability Skills Development Training — Titen Leap – Naandi Foundation, Chennai Sep 2025 – Nov 2025
Communication, aptitude, interview skills, and professional development.

ACHIEVEMENTS & LEADERSHIP

- Office Bearer, Computer Science Department, St. Joseph's College of Arts & Science.
- NCC Navy Cadet: Awarded Best Cadet Medal at CATC; selected for RDC and Ezhimala National Camp; completed B & C certificates with B grade.
- Member, CGLUG (under FSFTN) — contributed to 3 Software Freedom Day exhibitions and 2 FOSS meets at IIT Calicut.
